2 years old very feminine. Exl. Pigmentation. Exl dark eye color. Quite big eyes. Just a little bit roundish in shape. Could have just a little bit stronger underjaw. Exl earset. Long neck. Correct bones for female. Exl topline. Good length of ribcage. Exl tailset. Movements with good drive from back. Lovely white clean color. Exl work of handler. Parallel an stabile movement in back, just a little loose in front. Quite accaptable temperament for the breed. Bitt reserved but allow me to touch her.
