good type, skull could be broader and muzzle a bit stronger, good neck, good back, slope in the croup and low tailset, well placed shoulder, little bit straight in upperarm, good angulation in the rear, good ribcage, a little bit long in the loin, too fine in bone, could have more wool in the coat, would like her coat colour being more level (less shades) moves well from the sides, toes in in the front, her tail could be more otter like
