10 months feminine bitch of ex type, size and prop. Beautifull feminine head. Well defined stop. Beautifull dark eyes. Beautifull big ears with enough fringes for age making a promising butterfly expression. Enough neck laid back shoulders and angled upper arm. Good forechest and body for age. Level topl. Ex bend of stifle. High set well carried tail. Front movem slightly high today but moves free and easy from side. Ex silky coat. Unfortunently today she growled at the judge and tried to bite the judge. There fore she is dq today.
