4 months old. Very promising male puppy. Square built. Strong head. Correct proportions between muzzle and skull. Well places ears of excellent size. Good length of neck, well placed into shoulder. Correct sloping topline from withers to rear. Correct tail set. Excellent tail carriage. Good forechest. Excellent depth of ribcage for age. Would prefer ribcage slightly longer, and shorter loin. Excellent bone and feet. Excellent movements seen from all sides. Excellent temperament. Excellent coat texture.
