6 mounts old masculine male of excl. type, correct proportions. With correct head of good length. Would prefer a bit more triangle shaped eyes. Underjaw still developing. Correct neck, a bit upright in shoulders and slightly steep in upper arm. Excl spring of ribs, a bit long in loin. Topline a bit soft at the moment. Correct croup and tailset. Would like more ringed tail, Correct angulations in rear. Quite low on hocks, that are a bit soft today. Moves a bit unstable fron and rear at the moment but has a quite good side gait when he settles. Beautiful temperament. Excellent handling, In puppy coat but coat of good texture.
