Almost 2 years. A little high on leg. Good head an expr. Nice length to nozzle. Enough parrallellity. Scissor bite. Very nice eyes. Ok earset. Good neck. Need to be tighter in elbow. Good topline and tailset. Mod. Ang. Quite good color separation on leg. Good coat qual. Quite good in color on body. Corr darker on tail. Ok tan. Could have a little more coat on face, very stable moving in the rear. When she doesn't move too fast, her front movement is good, otherwise she changes to have too high lift in front.
