Australian silky terrier	H	20.06.2020
Hundakyn	Kyn	Fæðingardagur
Opinn flokkur	IS28520/20	
Flokkur	Ættbókarnúmer	
Tanya Ahlman-Stockmari, Finland	Black/tan	
Dómari	Litur	

good size, masculine, correct body prop, correct shape of ears, nice profile of the head, but a little bit too much chin, good muzzle, needs more front angulation and turns out the front feet, well bodied, lovely tail, nice tan colour, enough silky coat texture, nice rear angulations, I would like to see more parral. movement behind, enough firmer topline on the movement, nice outline when he is standing

Ungviða og Hvolparflokkar:
