Farve

3 months old, feminine bitch of excellent type and correct proportions. Lovely feminine head, with dark eyes and correct expression. Excellent neck into well placed shoulders. Well angulated front and rear with good forechest for her age. A bit soft in front pasterns at the moment. Moves quite well from the side, but still a bit soft in hooks that hopefully will get better with her age. Holds her topline well on the move, excellent croup. Small white spot on the right front leg that hopefully will go away when she ages. Excellent temperament and handling. Correct coat.
